Cottbus, 5th January 2021

Confirmation of the Internship Completion

It is herewith confirmed that Assoc. Prof. Dr. Ludmila L. Paliekhova has successfully completed the internship programme "Management of Sustainable Development" at the Brandenburg University of Technology Cottbus-Senftenberg in the period from 14th September 2020 to 11th December 2020.

The internship was organised in accordance with the Partnership Agreement between the National Technical University "Dnipro Polytechnic" and the Brandenburg University of Technology Cottbus-Senftenberg (2019), and the Memorandum of Understanding between the Institute of Economics of the National Technical University "Dnipro Polytechnic" and the Faculty of Environment and Natural Sciences of Brandenburg University of Technology Cottbus-Senftenberg (2019).

The internship programme included online attendance of lectures and seminars at the Faculty of Environment and Natural Sciences of the Brandenburg University of Technology Cottbus-Senftenberg, which were related to management and marketing of sustainable development in the industrial sector. The programme included a total of 90 teaching hours (or 3 ECTS).
